

Full fibre for a digital and sustainable Europe

## FTTH CONFERENCE 2026

### Event description

The FTTH Conference 2026 is Europe's leading fibre optic event, taking place on 14-16 April 2026 at Excel London. This premier gathering will bring together over 3.500 professionals from across the FTTH ecosystem, including telecom operators, technology providers, policy-makers, investors, and innovators.

Discover the latest advancements in fibre-optic technology, explore groundbreaking solutions, and gain valuable insights into the future of digital connectivity. With an unparalleled lineup of expert speakers, interactive workshops, and a dynamic exhibition showcasing cutting-edge products and services, the conference promises to drive the conversation on how fibre networks are transforming economies, societies, and everyday life.

Whether you're shaping policy, implementing infrastructure, or innovating at the forefront of technology, FTTH Conference 2026 is the must-attend event to connect, collaborate, and lead in the fibre revolution.

Secure your spot today and be part of Europe's FTTH community!
